

Horses for SALE

For Sale WB X Country Top Gun 7 yrs Bay Mare

Only for sale due to being overhorsed! Mo was backed and schooled as a 3 / 4 year old. I then put her in foal and she caught first time and bred a lovely colt last year. I have just weaned them so she is either for sale now at the price below or I can start her schooling again but the price will then reflect this. She was easy to break in and very comfy to ride with a huge jump. Has seen a lot of farm traffic and JCBs in the last two years. Good to shoe, catch, vaccinated, wormed. I have never clipped her. She is a sweetie and very affectionate and needs a lovely 5 star home. She would suit an experienced rider wanting something to start or an experienced pony clubber who wants to jump / event.
